Project Description

The Project is currently in design. The scope of the project includes improving 100 West with additional street parking, improved pedestrian crossing points and narrower travel lanes. Consistent with the Envision Central Heber Plan, 100 West will be transformed from a collateral road into a pedestrian friendly walkable corridor. Improvements will include angled parking, intersection and mid-block pedestrian crossings, street furnishings, and landscaped planter boxes. Heber City has included funds in the FY 2025 Budget to complete initial design work on this corridor.

Project Cost Estimate

TBD

Project Funding Source

CRA tax increment, Road Funds and General Funds.

Project Sequencing and Phasing

Design is expected to be completed in mid 2025. Project would be bid after finalizing design and securing funding.
