Relevant Graphic Detail

Project Description

Scope of work includes improvements to Hwy 40. Improvements will include landscaped medians, mid-block pedestrian crossings, improved intersection pedestrian crossings, and reducing speed of traffic. Additional landscaping and street furnishings, signal enhancements. Heber City has applied for and been awarded funding through the SS4A (Safe Streets for All) program to further study and refine what improvements will be included with the final design.

Project Cost Estimate

TBD

Project Funding Source

TBD

Project Sequencing and Phasing

This project is likely to follow completion of Heber Valley Corridor. Project is currently under design and would require UDOT approval.
